### Confirmation of technical identity for Smart Connect

Ladies & Gentlemen,

herewith we declare that the Remote Control Unit **Smart Connect** (HVIN: Smart Connect) is identical to Remote Control Unit **easyTek B** (HVIN: easyTek B) and uses the same FCC ID: SGI-WL402 and IC-ID: 267AB-WL402. The only difference is labeling, operator instruction and colors.

With kind regards,

  
.....  
Dr. Heike Heuermann  
Research & Development
