Declaration for Antenna Professional Install

Date: October 19, 2012

UL Japan, Inc.
4383-326 Asama-cho, Ise-shi,
Mie 516-0021 Japan

FCC ID: SGJ-WFC008

To Whom It May Concern:

We, Yokogawa Electric Corporation hereby declare that our product under FCC ID: SGJ-WFC008, Installation and replacement of antennas are done by professionals only. Please refer to the "Theory of Operation power setting method" about power setting method. As shown in the power setting method, power setting operation is protected by the password. And only trained professionals can get the password. Therefore, only professionals can change the power setting in case of connecting with high gain antenna. End Product User Manual is the representative manual in case of connecting 2.14dBi gain antenna, professionals will change the power setting before shipment. User can not change the power setting. Our product mentioned above, is restricted to indoor use only within 5180-5250 MHz band. And this restriction is directed in the user's manual. This product is Passive scan, it can not be transmitted without Active scan. Yokogawa Electric Corporation will install F9195KH into YFGW510 only, not for other.

Thank you for your attention to this matter.

Sincerely,

Hidetatsu Hanzawa
Yokogawa Electric Corporation
