Dear Mike,

On behalf of my client RadarGolf Inc. I request that the following documents associated with this application for certification be withheld from public view:

Schematics  
Block diagrams  
Operational description

RadarGolf has expended considerable time and funds in developing the referenced product, and disclosure of these documents to competitors would afford them an unfair advantage in developing similar competing products.

If you have questions or need further information please don't hesitate to contact me.

Sincerely,

T.N. Cokenias  
Agent for RadarGolf Inc.
