RE: U-MEDIA Communications, Inc.

FCC ID: SI5-WUB500A or SI5WUB500A

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) The 731 form shows a "-" in the FCC ID, but the label does not. Please confirm the correct FCC ID for this device.
- 2) The spectrum analyzer given on page 33, 43, 46, 85, 96, 103, 110, 120, 126 & 129 appears out of calibration.
- 3) Compliance for the 5725 – 5825 Band appears to show some data for 15.247 and some data for 15.409. Note compliance must be completely shown to one band, the other, or both. Most data provided is for 15.247. However, the spectral density limit on page 131 should be +8 dBm. Please correct data as necessary.
