Re.: Statement of the change in identification

New FCC ID: SJ9BT-MINIHS2

To Whom It May Concern:

Planex Communications Inc. is marketing under our own New FCC ID, which is multiple listing against Vencer Co., Ltd. /Original FCC ID: VHVBT VH1000, granted on Sep. 13, 2007. The equipment marketed differs from the original one in product name. Their circuit and performance are the same, so the original- test results continue to be representative of and applicable to the equipment with the new FCC ID.

Sincerely yours,
