<b>Equipment Class</b>	DTS Digital Transmission System
<b>Rule Part</b>	15.247 (15C)

**Overview**

This application is for original certification of Qwizdom, Inc. model Q Host, FCC ID SJB-QHOST. The Q Host uses the MC13201FCR2 radio, which is a 2.4 GHz DSSS radio based upon IEEE 802.15.4 standard. The Q Host radio is not fully compliant to the IEEE 802.15.4 standard, but works in a very similar manner.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
