Re: Confidentiality of FCC Filings

Dear Sir/Madam,

We, Dust Networks, Inc. request that you file the appropriate paperwork requesting for confidentiality of the data contained in the applications for the following project(s):

[M1030 Bare Mote - M1030](#)

Specifically, we would like any documents that contain schematics, block diagrams, circuit descriptions, technical specifications, or any other data that can be maintained confidential under FCC rules.

Sincerely,

Jeffery D. Fitch
Director, Customer Support
