Gentlemen:

Floyd S. Salser, Jr. and Assoc. (DBA: MARS Company) respectfully requests confidentiality of certain materials provided with the submission of the SmartTransmitter under FCC ID: SJS-380101WM in accordance with FCC Regulations 0.459.

The confidentiality request applies to:

1. System block diagram
2. Schematic drawings
3. Bills of materials and parts lists
4. Theory of operation

The SmartRF has been developed at considerable effort and expense by MARS Company. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Pintok", written in a cursive style.
