DECLARATION

Date: 2023-10-10

FEDERAL COMMUNICATIONS COMMISSION

Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046

Dear Sir or Madam:

We declare that our product: WALKIE TALKIE (MURS radio) (model: BCS-MV65, FCC ID: SK4BCS-MV65).The product has locked the TX frequency to 151.820MHz, 151.880 MHz,151.940 MHz,154.570 MHz,154.600MHz by firmware, then end-users could not unlock the limited band out of range neither by software programming on PC nor manually programming. It will get failed message if the end users program the TX range out of the frequency 151.820MHz, 151.880 MHz, 151.940 MHz, 154.570 MHz, and 154.600MHz.

Sincerely,

Signature:

Contact Person: Ron Kochanowicz
