RE: Request for Confidentiality

In reference to the application under FCC ID: SK6-XR2425H, and pursuant to Sections 0.457(d)(1)(ii) and 0.459 of the Commission's Rules, Xirrus hereby requests confidential treatment of the accompanying information as outlined below:

Block Diagram  
Schematics  
Theory of Operation  
Antenna Specifications

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to Xirrus and provide unjustified benefits to its competitors.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued. Xirrus understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter Krebill".
