Re: FCC ID: SK9AMI-2A

To Whom It May Concern:

The following application is submitted on behalf of our client, Itron Electricity Metering Inc., for evaluation of their model CVSOR-A for class II permissive change under FCC Parts 15.247 and 15.249.

The purpose for this reassessment is the addition of modular approved GSM modem MC8790 FCC ID: N7NMC8790 in the Itron Electricity Metering Inc. CVSOR-A host meter. The MC8790 modem module replaces the existing model MC5727 FCC ID: N7N-MC5725 modem module in the certified CVSOR-A host.

The device was evaluated for radiated inter-modulation products with all simultaneous transmitters operating and found to be in compliance.

Sincerely,
