Gentlemen:

Itron, Inc. respectfully requests confidentiality of certain materials provided with the submission of the CENTRON Open Way under FCC ID: SK9AMI-2A in accordance with FCC Regulations 0.459. The confidentiality request applies to the internal photographs contained in following Exhibit:

07-0458 – Internal Photos.pdf

Confidentiality of the Internal Photos is being requested because this is a non-consumer device which is not accessible by the general public and is only serviceable by the licensee or designated technicians.

The Open Way has been developed at considerable effort and expense by Itron, Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Lee Littlejohn Signature:
