FCC Laboratory 7435 Oakland Mills Road Columbia, MD 20146 26 May 2010

Attention: Application Examiner

RE: Class 2 Permissive change to allow Co-located Operation

Applicant: Itron Electricity Metering Inc.

FCC ID: SK9ITR900-1

Description: 900MHz FHSS radio module

To whom it may concern,

The referenced module will be installed in products that will be co-located with other module antennas. In particular the referenced module's antenna will be co-located with antennas for the following 2 modules:

Grantee FCC ID
Tropos Networks P9J-2411
Tropos Networks P9J-5805

Class 2 permissive changes have been filed concurrently for these two modules.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N. COKENIAS
