Re: FCC ID: SK9PLC-1

To Whom It May Concern:

The following application is submitted on behalf of our client, Itron Electricity Metering, Inc., for evaluation of their model C2SOD-P for certification under FCC Part 15.247 as a digital transmission system.

The C2SOD-P is an electric utility meter used in a power line carrier (PLC) system. The C2SOD-P contains a single 2.4GHz Zigbee radio was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Certain documents contained in this filing include supplemental information related to other devices within the same product line. Only information related to the C2SOD-P power line carrier (PLC) meter with 2.4 GHz Zigbee radio is applicable.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
