Re: FCC ID: SK9PMCR1

To Whom It May Concern:

The following application is submitted on behalf of our client, Itron Electricity Metering Inc., for evaluation of their model Cell Relay Pole, GSM for class II permissive change under FCC Parts 15.247 and 15.249.

The purpose for this reassessment is the addition of modular approved GPRS modem MC8790 FCC ID: N7NMC8790 in the Itron Electricity Metering Inc. Cell Relay Pole, GSM host.

The device was evaluated for radiated inter-modulation products with all simultaneous transmitters operating and found to be in compliance.

Sincerely,
