Dear Sir:

The following application is submitted on behalf of our client, Itron Electricity Metering, Inc., for Class II Permissive Change evaluation of their models R300S-1 and SMFMM-1 in accordance with Part 15 of the rules.

The purpose of the Class II Permissive Change is to show compliance with Part 15.207 of the FCC's Code of Federal Regulations which has been harmonized with the international standards developed by the International Electrotechnical Commission (IEC), International Special Committee on Radio Interference (CISPR).

These devices were tested to the requirements of the aforementioned sections of the rules and were found to be in compliance.

Sincerely,

Kirby Munroe  
Manager, Wireless Certifications
