

Declaration of Professional Installation

FCC ID: SLE-WAPC002

Data: Nov. 5, 2019

We, **MOXA Inc.**, 4F, No.135, Lane 235, BAOQIAO Rd. XINDIAN DIST., NEW TAIPEI CITY, Taiwan, declares that this platform contains two FCC ID: SLE-WAPN010 and SLE-WAPC002. The letter should address the following 5 items:

1. Installation personal

This product is designed for specific application and needs to be installed by a qualified personal who has RF and related rule knowledge. The general user shall not attempt to install or change the setting.

2. Installation location

A). The product shall be installed at a location where the radiating antenna can be kept 70cm from nearby person in normal operation condition to meet regulatory RF exposure requirement.

B). Within the 5.15-5.25 GHz band, the devices will be restricted to indoor operations to reduce any potential for harmful interference to co-channel MSS operations.

3. External antenna

Use only the identical model number antennas that have been approved by the applicant. It should be noted that various model number of antennas cannot be mixed-use. The non-approved antenna(s) may produce unwanted spurious or excessive RF transmitting power which may lead to the violation of FCC/IC limit and is prohibited.

4. Installation procedure

Please refer to user's manual for the detail.

5. Warning

Please carefully select the installation position and make sure that the final output power does not exceed the limit set force in relevant rules. The violation of the rule could lead to serious federal penalty.
