RE: Confidentiality Request
Application for Class II Permissive Change
FCC ID: SM6-HOTRODV2AG

Pursuant to the provisions of 47 §§ CFR 0.457(d) and 0.459 and IC RSP-100 §10, Mueller Systems, LLC ("Mueller Systems") requests the following exhibit regarding this submission be held permanently confidential:

- Schematics

Mueller Systems requests that this exhibit be permanently withheld from public review. Mueller Systems has spent substantial effort in developing this product. Having the subject information easily available to "competition" would negate the advantage it has achieved by developing this product. The application contains specific technical information which Mueller Systems considers to be trade secrets and proprietary confidential information which, if disclosed, could be used to the disadvantage of the applicant in the market place.

Accordingly, this exhibit and confidential information contained in it is exempt from disclosure under the Freedom of Information Act, Section 552(b)(4) of Title 5 of the United States Code. If any person or entity should request copies of this exhibit or any portion of it, Mueller Systems asks that such request be provide to me, as provided for in Executive Order 12600.

Thank you for your attention to this matter.
