Subject: Confidentiality Request for: FCC ID: SM6-MINODE-WATER3

Pursuant to the Rules of the Federal Communications Commission, 47 CFR Sections 0.457(d) and 0.459, the applicant, Mueller Systems, LLC ("Mueller Systems") requests that the following parts of the subject FCC application be held confidential:

Confidentiality Required

Category	Permanent	Short Term
Block Diagrams	X	
Operational Desc./Th. of Operation	X	
Parts List & Placement/BOM		
Schematics	X	
Tune-Up Procedure		
User Manual		
External Photos		
Internal Photos		
Test Setup Photos		

Mueller Systems requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public, which if disclosed, could be used to its disadvantage. Mueller Systems has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage Mueller Systems has achieved by developing this product. Not protecting the details of the design may result in financial hardship.

Accordingly, these exhibits and confidential information contained in them are exempt from disclosure under the Freedom of Information Act, Section 552(b)(4) of Title 5 of the United States Code. If any person or entity should request copies of these exhibits or any portion of them, Mueller Systems asks that such request be provided to me, as provided for in Executive Order 12600.

Thank you for your attention to this matter.

Sincerely,

Robert P. Keefe
Senior Vice President/Chief Information Officer/Chief Technology Officer
