

## DECLARATION

I declare that during production process of the following products:

- k4b2 portable unit USA version (p\n C00952-02-04)
- k4b2 receiver unit USA version (p\n C01599-02-04)

antennas are assembled on both units in the factory. We use a **Loctite® Hysol® 3425** two component epoxy structural adhesive into BNC coupling so that antennas are permanently attached.
