SUBJECT: CONFIDENTIALITY REQUEST
HAVAHART® IN GROUND FENCE (FCC ID: SNA-5145G)

Dear Sir or Madam:

Woodstream Corporation respectfully requests confidentiality of certain materials provided with the submission of the 5140G Havahart® In Ground Fence under FCC ID: SNA-5145G in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the schematic diagrams, block diagram (including associated oscillator frequencies, block signal paths and frequencies, tuning ranges and intermediate frequencies), and operational descriptions (including circuit functions, grounding system description, antenna and duty cycle details) contained in this filing and included in the following files:

12-0177 - Schematics.pdf
12-0177 - Block Diagram.pdf
12-0177 - Theory of Operation.pdf

The Havahart® In Ground Fence has been developed at considerable effort and expense by Woodstream Corporation. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage. I appreciate your assistance in this matter.

Should you have any questions/need any additional information, I can be reached at (717) 626 – 2125 x426 or by email at cmateer@woodstream.com.

Sincerely,

A handwritten signature in black ink that reads "Chad Mateer".

Chad Mateer
Regulatory Affairs Manager
Woodstream Corporation
