Re: FCC ID: SNA-M240RF

To Whom It May Concern:

The following application is submitted on behalf of our client, Woodstream Corporation, for evaluation of their model M240RF for certification under FCC Part 15.247.

The M240RF is a battery powered electronic rat trap which includes an IEEE 802.15.4 compliant RF transceiver operating from 2405 MHz - 2480 MHz.

The FCC ID: SNA-M240RF was tested in full to the aforementioned tests requirements and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive style with a large initial 'R'.
