Subject: Request for dismissal of grants for FCC ID: SNA-V420 and FCC ID: SNA-V430

Dear Examiner,

Woodstream Corporation formally requests that grants for FCC ID: SNA-V420 and FCC ID: SNA-V430 be dismissed and all documents associated with these grants be removed from the FCC Equipment Authorization database. Woodstream Corporation has not placed the products under these grants on the market and has possession of all units that were built. The design proved to have significant flaws and we will not be proceeding with mass manufacture of the products. Woodstream would like the potential to use the same model numbers and FCC ID numbers for future products.

Sincerely,

Dwayne Arrighy, Electronic Compliance Manager  
Woodstream Corporation
