# 1 TEST REPORT SUMMARY

<b>Applicant</b>	Telekiness Systems & Solutions LLP
<b>Manufacturer</b>	Pella Corporation
<b>EUT Name</b>	Pella Insynctive Bridge
<b>EUT Model</b>	208B0000 V13
<b>EUT Serial Number</b>	CS-PELLA-P13-35 (Normal Operation mode) CS-PELLA-P13-26 (Continuous Operation mode)
<b>Date of receipt of test item</b>	18 December 2020
<b>EUT Category / Type of Equipment</b>	Wireless/Table top
<b>EUT Operating Voltage</b>	110VAC
<b>EUT Operating Frequency</b>	60Hz
<b>Center Frequency (Intentional radiator)</b>	433.9MHz
<b>RF output Power rating</b>	-2.2 dBm
<b>Date of Test</b>	18 December 2020 to 19 January 2021
<b>Venue of Test</b>	Tarang: Product Qualification and Compliance Planet-EMC

Applicable Standard	Applicable Test	Frequency range/ Class/ Test level	Applicable port	Results-Criterion

*Note: Refer report number QFM 2051CON383-1-A3*

**Pella Insynctive Bridge** was tested by Tarang: Product Qualification and Compliance Planet as per the standards that are listed in the table above. Based on the observations during the test and interpretations by Tarang: Product Qualification and Compliance Planet, results have been indicated. The test results produced in this report shall apply only to the above sample that has been tested under the specific conditions and modes of testing as described in the report. Other similar equipment may not necessarily reproduce same result due to production tolerances and measurement uncertainties. Any measurement uncertainties listed in this report are for information purpose only.

The results shall stand invalid, in case there are any modifications / additions / removals to the hardware or software or end use atmosphere to the product tested. This report shall not be modified or in any way revised unless it is expressly permitted and endorsed by Tarang: Product Qualification and Compliance Planet, through a duly authorized representative. Particulars on Manufacturer / Supplier / Product configuration / performance criteria, given in this report, are based on the information given by the customer, along with test request. Tarang: Product Qualification and Compliance Planet does not assume any responsibility for the correctness of such information for the above mentioned equipment under test.

Customer acknowledges that this is a test report and not a certificate to gain market access for the product. To gain market access, Customer needs appropriate clearance from the Government or authorized agency for the target market. For markets that allow self-declaration, customer needs to follow the procedure defined by the target market.
