RE: Confidentiality Request for FCC ID: SOF SKYTRACKER

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We request that block diagrams, operational descriptions, documents marked as confidential, and schematics required for submission with this application be withdrawn from public review. The reason for this request is that the documents are company proprietary information that we do not wish to make available to our competitors.

Sincerely,

William J. Stone
