Re: add extra Short Term Confidentiality documents Request

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules and to avoid premature release of sensitive information prior to marketing or release of the product to the public, the applicant requests the following documents contained in this certification application be temporarily withheld from public disclosure for an initial period of 180 days and we could accept the fact of those documents are public several days:

- 1: User Manual
- 2: Test Setup Photos (RF)
- 3: External Photos
- 4: Internal Photos
- 5: Test Setup Photo (SAR)

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rules 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this application.

Sincerely,
