Request for Post-Grant Confidentiality Process (TCB Applications)

Applicant: **Archos SA**

FCC ID: **SOVAN9BG3**

To whom it may concern,

Post-Grant Permanent Confidentiality Process (TCB Applications)

Request is hereby submitted by **Archos SA** to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description

Rationale for request for Post-Grant Confidentiality

Archos SA has invested considerable time and materials in research and development to produce the referenced product. *Permanent confidentiality:* Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Archos SA is aware that the information has been publicly available since the date of grant must be uploaded.

If you have questions or need further information, please contact the undersigned.

Sincerely,

Yves Gregoire
Head of Research and development
Archos SA
