RE: Innovative Wireless Technologies, Inc. FCC ID: SP8-IXU1-ASY1168

I have a few comments on this Application.

- 1.) The RF Exposure exhibit states 20 cm distance mobile. The user's manual does not contain the 20cm statement under the "Important Note" header, please revise user manual to include this statement.

Response: Please refer to the revised manual exhibit uploaded with this response.

Thank you,
