LETTER OF AUTHORIZATION

FCC Authorization & Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21045-0429

Ladies and or Gentlemen:

I appoint Brian J. Mattson or Arnom C. Rowe to act as agent on behalf of Reliance Controls Corporation in the preparation of applications for the p/n 11034 transmitter used as part of product THP 203 Strobe Warning System and THP 204 Audible Warning System under Part 15 of the Rules and Regulations of the Federal Communications Commission. I certify that the exhibits properly describe the device being submitted under this application and will implement any changes described in the test report.

The following statement is required by the Federal Communications Commission: By checking yes, the applicant certifies that, in the case of an individual applicant, he or she is not subject to a denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853(a), or, in the case of a non-individual applicant (e.g. corporation, partnership or other unincorporated association), no party to the application is subject to a denial of federal benefits, that includes FCC benefits, pursuant to that section.

X YES NO

Dated this 5th day of February 2007

Agency agreement expiration date: This authorization expires when withdrawn.
