

**Because Santa's busy, with lots on his mind,
he's hired Petey Pecker and Monty McFind!**

**They're North Pole detectives who find missing stuff.
If you'll help them a bit, their job won't be so tough!**

**Hang the ornament on your Christmas tree,
snuggle up nearby to read the book, and
press the corresponding buttons on the book
as they appear in the story. The ornament lights
up and gives clues so you know what to look for!**
