Gentlemen:

Nivis, LLC is submitting a Change of ID request application to American TCB for the Sony Ericsson CDMA-42 Module, FCC ID # AXATR-423-A2.

The new ID # is SQB-NIVISCM42.

Uploaded is this cover letter, a request letter from Nivis stating the required information of Part 2.933, and a copy of the original Grant for the module.

Nivis' intent is to change the ID and submit a separate Class II permissive Change request to allow co-location of this module with their P9-05-01-03 transceiver module.

Please contact me with any questions you may have regarding this application.

I appreciate your assistance in this matter.

Sincerely,
