RE: FCC Part 15 Class 2 Permissive Change for FCC ID: SQB-NIVISMOD0001

Dear Applications Examiner:

Enclosed please find Nivis, LLC.'s file copy of the Part 15 Class 2 Permissive Change Application for Nivis. LLC's module model 2.4GHz Mod2.

This Application is requested because Nivis, LLC is adding an additional antenna to be used with this module. The additional antenna is of a different type and gain. Further information about the antenna can be found in the report herein.

If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in cursive script, reading "Alan Ghasiani", is shown on a light gray rectangular background.
