Dear Sir/Madam,

Subject: FCC ID: SQT-RIPEX-928

The attached documents constitute a formal submission and application for Equipment Authorization for the RipEX-900 radiomodem & router, pursuant to the FCC Part 101 rules.

The RipEX-900 radio modem & router contains software to allow communication within the 928-960 MHz band. This device is designed to operate in 12.5, 25 and 50 kHz channel spacings under the Part 101 rules.

We, RACOM s r.o. acknowledge that the device will only be programmed for the frequencies authorized under FCC Part 101 and we are aware it is a violation of the FCC rules for the device to operate on unauthorized frequencies.

This letter serves as supplementary evidence and attestation for the frequency banding authorization application.

If you require further clarification, please contact Racom s.r.o.

Yours faithfully,

RACOM s.r.o. • Mírová 1283 • 592 31 Nové Město na Mor.
