

Wallet TrackR

Features:

- Ultrathin and credit card size for easy sliding into your wallet
- GPS snapshot function
- Compatible with Bluetooth® 4.0 enabled Apple or Android devices
- Up to 30 meters monitoring distance
- Power supply: 2x CR2016 button cell batteries (not included)
- Product size: 61x41x3.8mm
- User's Guide included

How does Wallet TrackR work?

• Forget-me-not reminder

If you forget your wallet, the App will play your favorite song and the Wallet TrackR will beep before you get too far.

• Lost and Found Map

The App remembers the location and time you separated from your Wallet TrackR and can show you on a map.

• Is your wallet hiding?

If you cannot find your wallet, press the FIND button in the App to cause the wallet to beep.

Requires 2x button cell batteries (not included)

Made in China
