

Tune-up Declaration

2016-01-18

Bay Area Compliance Laboratories Corp.
1274 Anvilwood Avenue
Sunnyvale, CA 94089

Product Name: Cell Phone Signal Repeater
FCC ID: SQX-JDIR-37-700

TUNE-UP PROCEDURE

There is no end user Tune-up Procedure available because all tuning is set at the factory. Output power is a function of the input power; the user should provide an input signal that will produce an output power not exceeding the levels declared.

Sincerely Yours,

Dennison Jurawan

Sales Manager
