

## **Tune-up Declaration**

2016-01-18

Bay Area Compliance Laboratories Corp.  
1274 Anvilwood Avenue  
Sunnyvale, CA 94089

**Product Name: Cell Phone Signal Repeater**  
**FCC ID: SQX-JDIR-37-AWS**

### **TUNE-UP PROCEDURE**

There is no end user Tune-up Procedure available because all tuning is set at the factory. Output power is a function of the input power; the user should provide an input signal that will produce an output power not exceeding the levels declared.

Sincerely Yours,

Dennison Jurawan

Sales Manager
