People authorized to act on behalf of Stemco and the usage of the SRA prefix.

Stemco is the owner of the SRA FCC prefix. In the past Mark Kranz has been a contact person for issues related to FCC filings but he is one of several engineers that can act on our behalf.

I duly agree that Dan Harding can also act on Stemco's behalf in the assigning of products for FCC purposes to the SRA prefix.

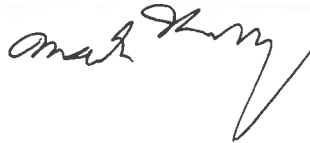

Dated this 3 Day of August, 2011

Company: Stemco LP

By: Mark Kranz

Title: Sr Product Engineer Electrical Design

Telephone: 903 758 9981

A handwritten signature in black ink, appearing to read 'Mark Kranz', with a long, sweeping vertical stroke at the end.
