SUBJECT: Applications for certification of FCC ID: SRD10100 Models: RTR500BC and RTR500BW

To Whom It May Concern:

We are submitting an application for certification for our FCC ID: SRD10100, Models RTR500BC and RTR500BW.

The RF Portion of these two models is electronically identical. The only difference between the two models is that model RTR500BW contains a LAN/Wireless Lan interface.

Regards,

A handwritten signature in black ink, appearing to read 'A. Oana' with a stylized flourish at the end.
