

WELCOME TO ASSURANCE WIRELESS

Your Quick Start Guide featuring:

- Activation Shortcuts
- Phone Basics
- Additional Services

Don't lose your Lifeline service. Use your phone often to call, send a text or go online.

Your Phone Layout

Coverage not available everywhere. Data speeds may vary. Visit virginmobileusa.com/check-cell-phone-coverage for details.

Note: The appearance of your device may vary. The Get Your Phone Ready and Activate Your Service instructions are for customers who received their phone in the mail. If your phone is already activated you may skip these steps.

Get Your Phone Ready

Insert the Battery

- 1 Find the notch on the back cover. Using your fingernail, lift up gently to open the back cover.
- 2 Insert the battery, contacts end first, and gently press the battery into place.
- 3 Replace the back cover, making sure all tabs are secured and there are no gaps.

Charge the Battery

- 1 Plug the micro-USB connector into your phone's Charging/micro-USB jack.
- 2 Plug the charging head into an electrical outlet.

Note: You should fully charge the battery as soon as possible. Fully charging the battery may take up to three hours.

Activate Your Service

Before using your phone, you need to activate your service with Assurance Wireless.

- 1 Press and hold the **Power Button** to turn your phone on.
 - Allow hands-free activation to connect the phone to our network and then allow the phone to check for any updates.
 - The phone will power off.
- 2 After the phone turns back on, the device may ask you to complete a few setup screens to customize your phone. You may need to skip the setup screens and complete step 3 first.
- 3 Tap **Phone** > **611** > **Phone** and then follow the recorded directions.

Note: If this is a replacement phone or upgrade, you can skip these steps and go to Activate a Replacement Phone for instructions on how to swap your service to the new handset.
- 4 When prompted, enter your Account PIN – it can be found at the top of your Assurance Wireless approval letter.

Complete the Setup Screens

- 1 Once your service has been activated, tap **Phone**, swipe up from the bottom of the screen, and tap **Gmail** or **Play Store** to run Setup.
- 2 Follow the prompts to complete the setup screens.

Activate a Replacement Phone

If you lose your phone, or if it is stolen, let us know right away and we'll suspend service. We can help you get a replacement phone. We usually can have it to you in just a few days.

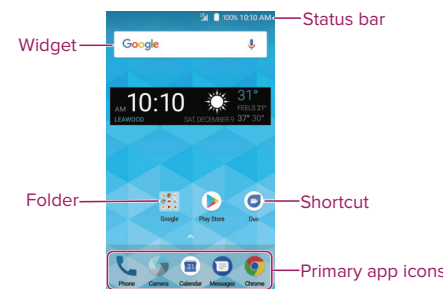

Follow these directions to swap your service and begin using your new phone:

- 1 Go to assurancewireless.com and select the **Account Login** tab.
- 2 Log in to your account using your Assurance Wireless phone number and Account PIN.
- 3 From the Account Overview screen on the My Account page, select **Swap Phones** from the choices listed under "I Want To..."
- 4 Follow the on-screen instructions to enter and verify your ESN/MEID number (this number is found under the battery after removing the cover).
- 5 Select a new price plan if you are upgrading or replacing your feature phone with an Android phone.

We will transfer your phone number and account balance to this phone. Your phone should work after activating the device and allowing it to cycle through all updates. If you have any technical difficulties, you may also activate your phone by calling **1-888-321-5880** from a different phone.

Your Home Screen

- Tap  to return to the main home screen from any other screen.
- To view extended screens, swipe the screen left or right.
- To view notifications, drag the status bar down. Tap a notification to open it.
- If an app is on your home screen, just tap it to open it.
- If an app is not available from your home screen, swipe up from the bottom of the screen and then tap the app icon.

Phone Basics

Or give us a call at **1-888-321-5880**

Keep Your Service

You must call, send a text or go online from your Assurance Wireless phone often or you will lose your Lifeline service.

- In order to continue receiving your Lifeline service from Assurance Wireless, at least once a year you must certify that you still qualify for federal Lifeline Assistance. It only takes a few minutes and we will let you know when it's time for you to certify.

Assurance Wireless is a federal Lifeline Assistance program brought to you by Virgin Mobile. Lifeline is a government benefit program supported by the federal Universal Service Fund. Enrollment is available to individuals who qualify based on federal or state-specific eligibility criteria. You may qualify if you are on certain public assistance programs, like Medicaid or Supplemental Nutrition Assistance Program (SNAP). You can also qualify based on your household income. You must provide proof of program participation or proof of income. The Lifeline Assistance program is available for only one wireless or wireline account per household and is nontransferable.
