Re: Letter of Attestation, FCC ID: SRS-M7-UC

To Whom It May Concern:

I hereby attest the following, for FCC ID: SRS-M7-UC. Raveon acknowledges that the frequency bands listed below are the only allowed bands in the 450 - 470 MHz frequency range under FCC Part 90.

450 MHz – 454 MHz

456 MHz - 460 MHz

460 MHz - 462.5375 MHz

462.7375 MHz - 467.5375 MHz

467.7375 MHz - 470 MHz

As such, the user manual for the product lists these frequencies and states that transmitting outside these bands is a violation of FCC rules. Raveon understands this restriction and will notify its customers accordingly.

Thank you,

By: John Sonnenberg
