

Confidentiality application for FCC certification

Date: 4/09/2008

Attention: **Intertek**
Application Examiner

Re: Request for confidentiality

Applicant: Klipsch L.L.C.

FCC ID: STI-CS700

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Klipsch L.L.C. to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- **Schematics (both device itself and RF module)**
- **Block**
- **Bom**

Rationale for request for confidentiality:

Klipsch L.L.C. has invested considerable time and materials in research and development to produce the referenced product. *Permanent confidentiality*: Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

For the fee for confidentiality, please charge from Intertek Shanghai. If you have questions or need further information, please contact the undersigned.

Sincerely,

Clinton S. Bradley
