Re: STZSDM600TU: 47 CFR Part 90.203(e) Compliance 2 April 2012

To Whom It May Concern:

The frequency of operation of the STZSDM600TU mobile radio cannot be programmed by the operator to transmit on frequencies other than those programmed by service or maintenance personnel. The STZSDM600TU radio requires the operating frequencies to be programmed through the use of an external device only available to service or maintenance personnel.

Yours sincerely,

Robert Stowell

Senior Engineer
