**Re: STZSDM600UW Certification:
Frequency Programming**

To Whom It May Concern:

The frequency of operation of the STZSDM600UW mobile radio cannot be programmed by the operator to transmit on frequencies other than those programmed by service or maintenance personnel. The STZSDM600UW radio requires the operating frequencies to be programmed through the use of an external device only available to service or maintenance personnel.

Yours sincerely,

Simoco Australasia Pty Ltd
