**Re: FCC Declaration of Similarity:
FCC ID: STZSDP600AC**

To Whom It May Concern:

Please be advised that the models SDP650AC and SDP660AC are electronically identical, all RF measurements and test results are exactly the same.

The difference between the two models is that the SDP660AC radio has a full alpha numeric keypad and graphic liquid crystal display whereas the SDP650AC has no alpha numeric keypad and a simpler 12 character liquid crystal display.

Thank you for your attention to these matters.

Yours sincerely,

Simoco Australasia Pty Ltd
