**Re: STZSRP9170UW: 47 CFR Part 90.203(e)  
Compliance**

To Whom It May Concern:

The frequency of operation of the STZSRP9170UW portable radio cannot be programmed by the operator to transmit on frequencies other than those programmed by service or maintenance personnel. The STZSRP9170UW radio requires the operating frequencies to be programmed through the use of an external device only available to service or maintenance personnel.

Yours sincerely,
