|---|---|
| <p>Photo 6: Edge C 10mm</p>   | <p>Photo 7: Edge D 10mm</p>   |
|  A photograph showing the left edge of a black mobile phone. A white ruler is placed vertically against the edge, showing a measurement of approximately 10mm. The phone is held in place by a white fixture.            |  A photograph showing the right edge of a black mobile phone. A white ruler is placed vertically against the edge, showing a measurement of approximately 10mm. The phone is held in place by a white fixture.                          |
| <p>EUT Front View</p>   | <p>EUT Back View</p>  |
|  A photograph of the front view of a black mobile phone. The screen is dark and reflects the surroundings. The three capacitive touch buttons (back, home, and recent apps) are visible on the right side of the phone. |  A photograph of the back view of a black mobile phone. The back cover has a textured, ribbed appearance. A camera lens and flash are visible in the bottom left corner. A circular logo with a Wi-Fi symbol is visible in the center. |
