Date: November 1, 2016

Declaration Letter of Multiple Models

FCC ID: SWX-EMS

IC: 6545A-EMS

We, UBIQUITI NETWORKS, declare on our sole responsibility that the difference between EM-EP and EM-S is:

Model	Color	POE out
EM-EP	White	Support
EM-S	Black	N/A

Except this, the other parts remain identical.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely yours,

Michael Taylor
