RE: CONFIDENTIALITY REQUEST FOR LiteBeam 5 AC-16-120, FCC ID: SWX-LBE5AC120-U

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the following documents required to be submitted with this application be permanently withheld from public review.

- Block Diagram
- Schematics
- Theory of Operation
- Parts List/BOM
- U-NII Security Exhibit

These documents contain detailed system and equipment descriptions and related information about the product, which manufacturer/applicant considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, manufacturer/applicant feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Michael Taylor Compliance Manager 2580 Orchard Parkway San Jose, CA 95131, USA 408-942-3085 compliance@ubnt.com
