## **FCC Professional Installation Justification**

FEDERAL COMMUNICATIONS COMMISSIONS

Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046

Subject: Professional Installation Justification regarding application for certification of  
FCC ID: SWX-LBE5ACG2

To whom it may concern:

The LiteBeam 5AC (G2)/LBE-5AC-Gen2 is sold through a network of distributors to wireless service providers.

These products are not marketed or sold to end users. This product requires a trained professional, and is installed outdoors as part of the network infrastructure of the wireless service provider. The LiteBeam 5AC (G2)/LBE-5AC-Gen2 Quick Start Guide installation requirements clearly state the requirement for professional installation, and reminds the professional installer of their legal obligations under Part 15. Ubiquiti offers training programs for professional installers. The FCC Part 15 requirements will be followed by the installers.

Sincerely Yours,
