Federal Communications Commission

Authorization and Evaluation Division

Request for Dismiss FCC ID

FCC ID: SWX-M5GHP

We, Ubiquiti Networks, Inc. would like to request to dismiss this grant (FCC ID: SWX-M5GHP, Grant date: 12/05/2013, Form 731 Confirmation Number TC217810) and remove all the documents from FCC web site due to the RF power set too low which doesn't meet marketing requirement. Up to now, we never sold and will not sell this product to any customers, the product was certainly not marketed and will not be marketed in the USA or worldwide else. We decide to make slight change on the product and re-submit the equipment authorization under the same FCC ID. Once the re-submitted application is approved, we will sell or market the product under the same FCC ID.

Sincerely,

---
